By-product Task Force identifies issues

The Oily By-product Task Force, reactivated last July by the Alberta Energy and Utilities Board, met in Elk Point last Thursday to discuss issues and concerns raised by region residents over the use of oilfield-produced sand in roadbed construction.

Dave DeGagne of EUB Environment, Safety and Technical Services said the Task Force "did agree on some objectives to work toward. We identified issues which we grouped into three categories: environmental assessment, road engineering and administrative process." DeGagne said the Task Force will now split up into individual work groups to consider the issues, and will return to Elk Point on December 2 "to see what progress has been made and what barriers remain in place."

He expects the Task Force to reach a conclusion around May 1, 1998, but "we will continue until the findings are complete. This date is not cast in stone. We need to make sure the issues are dealt with and everyone has their concerns addressed."

The Task Force consists of representatives from non-governmental organizations, the public, industry, government and academia, and was responsible for developing the current standards of practice used by the EUB for spreading of produced sand on roads for road surfacing and dust suppression.

Opportunity costs — your choice

By Deanna Easthope
FCSS Director

Thanksgiving Day is over and now we have the leftover turkey problem. Or do we? The choice was ours.

Speaking of choice, did you happen to read the front page of the Edmonton Journal on October 6? A couple of titles caught my eye. "Gamblers show they're ready to roll as casinos open on Sundays," and "There's No Life Like it - Military families are being torn apart by frequent transfers," says Defence Dept. study."

Both of these topics cause challenges to the family. They are individual/family choices. A person can choose to gamble and they can choose to be part of military life. We all are aware of gambling and the effect on individuals and the family. When it becomes, "I got to do it" type of choice, then we

know a lot of factors regarding the quality of family life are affected. The other choice topic was military life. Frequent transfers and long absences of the military person who is away from their family can tear families apart.

These two topics of choice are only a few choices that many people can make that can affect their family life. Another choice that some people have made is their choice to move to the Elk Point area. Changes to a person's employment can bring change in expectations regarding the way one is to perform their job. Then the financial income, whether more or less, can bring an "unsettled" feeling of adjustment. I can go on. But, the main point is that we have new people who have moved to Elk Point who are making many new adjustments in their lives. The family can be affected.

My heart goes out to the new people. Let us help you in your adjustment to our Elk Point area. If you are new, please give our office a call so that you can receive the "Welcome Package" and learn about our town. Call the FCSS office at 724-3800.

I started writing this article by saying that opportunity costs — your choice. Yes, it is. What you do with your time and how you live your life, or where you live your life is all a choice you will and have made. For example, the "opportunity

costs" principle can be explained another way. If you choose to buy a \$50 coat, the coat costs not only \$50 plus tax, plus the gas and time spent going to get it; it also costs everything else in the world you could have spent that \$50 on. The same is true of time. Time spent on one thing costs everything else you could have done with it. We can liken this to our families. What are the "opportunity costs" you have and are spending on your family? Something to think about.

Report from the Legislature

Agricultural leases and public lands

By Paul Langevin, MLA
LacLaBiche - St. Paul

The Agricultural Lease Review Committee has finalized the dates for public meetings this fall. The focus will be on possible changes to the legislation, regulations or policy governing the management of agricultural leases and related public land matters.

Tom Thurber, the MLA for Drayton Valley - Calmar is leading the Review Committee. The other four committee members are: Marlene Graham, MLA for Calgary - Loughheed; Paul Langevin, MLA for LacLaBiche - St. Paul; Barry McFarland, MLA for Little Bow, and Ivan Strang, MLA for West Yellowhead.

The Committee will review issues that affect public land in the White Area (settled area) of the province, including agricultural lease rates, access control, and associated surface

compensation. The Committee will also examine other issues related to agricultural leases and activities on public land that are raised by Albertans.

The public meetings will begin in late October, and will be held in approximately 20 locations around the province. If you wish to make a presentation, I encourage you to book a specific time with the Committee, as those attending without booking in advance will be scheduled as time permits. The Committee encourages those making presentations to forward the general text of their presentation prior to the meeting, or provide copies upon their arrival. Open houses with staff from the departments of Agriculture, Food and Rural Development and Environmental Protection will be held immediately prior to each meeting to provide information and answer questions.

Written submissions to the Committee are also encouraged throughout the consultation process, until November 30. Presentations and submissions to the Committee will contribute to an interim report to be sent to the Ministers of Agriculture, Food and Rural Development, and Environmental Protection, which will be available to the public later in 1998.

The public meeting for our area will be held in St. Paul on Wednesday, November 5 at the St. Paul Senior Citizens Centre. The Open House with department reps will be at 5:30 p.m., while the Public Meeting with the Review Committee will follow at 7:00 p.m. If you choose to make a written submission, it should be addressed to: Agricultural Lease Review, c/o Roger Marvin, J. G. O'Donoghue Bldg., Room 200, 7000-113 Street, Edmonton, AB.

NEARTA starts another year

By Paul Boisvert
NEARTA President

The North East Alberta Retired Teachers' Association (NEARTA) met in Elk Point recently to begin another year of activities. Members of NEARTA are primarily retired teachers who once taught in the schools of the town and county of St. Paul, the town of Bonnyville and the Lakeland Public and Separate schools.

This first meeting of the season is an opportunity for the membership to hear the various committee reports. Those in attendance were also brought up to date on matters relevant to retired teachers which are being dealt with at the provincial level. The September meeting is also

when the executive for the next term is elected. In keeping with a NEARTA custom of having a different zone from within its membership take on the executive responsibilities, this year it is the turn of teachers from St. Paul.

NEARTA's officers for 1997-98 are as follows: President - Paul Boisvert; vice president - Marie Kapicki; secretary - Sr. Florence Gagne; treasurer - Gladys Boisvert. A number of committee appointments were also made. In appreciation of her many years of service as the coordinator of the telephoning committee, a bouquet was presented to Phyllis Scott.

Following a nice lunch served by ladies of the Elk Point Seniors' Centre, retired

teachers from the Elk Point, Lindbergh and Heinsburg area put the group through a number of lessons as they might have been given in the old country schools when these retirees first began their teaching careers. Not only were the embers of fond memories reawakened but also a good laugh was had by all.

The meeting closed with the announcement that the next meeting will be held in Cold Lake on Tuesday, November 18, 1997 at 11 a.m. All retired teachers from the area served by NEARTA are invited to attend this meeting so that they can become more familiar with issues affecting retired teachers while renewing old acquaintances.

F. G. Miller sports teams are well into their seasons. Volleyball continues to occupy many students' spare time. The senior teams have a break this week as they have a bye on October 15. This will give them extra practice time for the upcoming matches. The Junior High teams will host Myrnam in their third home game on October 16. The more fans the better! Senior High Zone Cross Country Run was held on October 8 in Vermilion. In the Jr. Boys Class, there were about 50 competitors. The following Crusaders represented F. G. Miller: Chad West - 9th, Michael Povaschuk - 13th, Ben Peterson - 22nd, Spencer Easthope - 29th, Chris Swedgan - 33rd and Chris Fontaine - 42nd. Chad and Michael are going on to Provincials in Athabasca on October 18. Congratulations to all the runners and good luck to those continuing on. We are proud of all of you!

Speaking of outstanding achievements, from early September to October 6th, Mr. O'Neill's Social 23 class has earned 133 Above the Limits. This is based on 8 exams and 2 assignments. That is an average of 5 per student! Way to go! Our first school dance of the year took place on Friday, October 3. Tyler Warawa was the DJ at the Autumn Fest. Crusader comments were: "It was really fun!" and "Lots of good music!" Good work, Grad class, we are looking forward to the next.

We have a new addition to our school. This quiet character has started quite a commotion in F. G. Miller. It all started when Mr. Beaulieu saw an

unused aquarium and thought he would make use of it. He decided to bring his pet iguana into his classroom. Iguanas usually live in trees in tropical climates (warm and humid). Mr. Beaulieu copied this environment into the aquarium and even added a swimming pool for the iguana's enjoyment. Mr. Beaulieu is going to be setting up a weighing station for the iguana to see how much it grows each month. He is even having a contest for naming the iguana. You must state the name you picked and the reason why you picked that name. The lucky winner will have the opportunity to look after the iguana over the summer. It is important for students and staff to remember that the lid of the aquarium must not be opened and that the iguana should not be handled unless Mr. Beaulieu gives you permission to do so and he is in the room supervising.

Ms Smereka extends a BIG thank you to the following parent volunteers for their help in the library: Mrs. Doris Wilson, Mrs. Janet Jabush, Mrs. Marguerite Friesen and Mrs. Lisa Nielsen.

Students of the Week for October 13th to 17th are Kirsty Lindquist and Kristy Myshaniuk.

SUBWAY (St. Paul and Bonnyville) manager, Hetty Gottlieb, congratulated the Crusaders on successfully completing the first month of school by presenting all of them (grades 7-12) with a VIP Discount Card. The Crusaders would like to say "thank you" to SUBWAY for their very generous donation and for their support of the Above the Limit program.

Look for our annual Craft Sale and Book Fair on

Just a reminder to students that on October 14, our new bell system comes into effect. The new bell times were handed out on Thursday, October 9th. Please make sure you know when you are to be in class.

Here's hoping that everyone had a wonderful long weekend.

and lots of great food at Thanksgiving. Look for our article in next week's Review.

French Club fundraising

The French Club from F. G. Miller Junior / Senior High School will be holding a bottle drive on Saturday, October 18, starting at 10:00 a.m. We know how difficult it is to get those bottles boxed and out of the house, so we'll help you and help our fundraising efforts at the same time. The funds we raise will go toward our exchange trip to Quebec in the spring of 1998. Our group has been working hard for a year already with bake sales, spice sales, highway cleanup and

fundraisers in the school itself. We would appreciate the donation of your empty bottles to help us reach our financial goal. If you are unable to be home on the 18th, please leave your bottles in a box or bag on your porch and we will cart them away. If you prefer a different pickup date, please call 724-2250 and leave a message, we'll be happy to come at your convenience. If we miss your house, call us and we'll come back. Every bottle we pick up helps us get to Quebec.

Screen Test
Alberta Program
for the Early Detection
of Breast Cancer

Screen Test says "Thank You!"

SCREEN TEST recently had the privilege of working in partnership with the Lakeland Regional Health Authority to bring breast cancer screening services to Elk Point and the surrounding area. Many community volunteers helped in the planning and provision of the services, and have provided valuable feedback to the program.

The purpose of the SCREEN TEST PROGRAM is to reduce the number of deaths from breast cancer among Alberta women. You have helped us do this. In addition to the many individuals who have helped with the services, special thanks go to the following organizations:

Elk Point Auxiliaries, Marg Farenchuk - Volunteer Coordinator and All Volunteers.

Minor Hockey hits the ice for 1997-98 season

By Doug Bassett
Elk Point Minor Hockey

Hockey season officially opened on Thanksgiving Day at the A. G. Ross arena with three hours of public skating and open hockey later in the day. Although a lot of players are still not registered, and all the teams are not totally organized as far as coaches, managers, etc., the minor hockey practices started yesterday. The first week can be very hectic, and volunteers are still needed in some groups, so please sign up.

Coming this weekend is the annual Kelly Pratt skills clinic. Also on Saturday and Sunday, along with the skills clinic,

Minor Hockey will be holding an equipment swap. Bring all your good used equipment with your name and price marked on it. This is a good opportunity for all parents to pick up some good quality equipment at fair prices, especially for those fast growing kids, who need bigger equipment every year.

On Thursday, October 16 at 7 p.m., Minor Hockey will hold a general meeting. On the agenda: team reports, Hockey Alberta registration requirements, league requirements, managers' guidelines, and any other concerns that may arise. Everyone is welcome so come out and be heard.

Saddle Slickers ready to ride into another new season

Elk Point Saddle Slickers 4-H Light Horse Club is getting ready for another busy season, with a "Get Started — Get Acquainted" session on Saturday, October 18 at 1 p.m. at the Agricultural Society Fairgrounds Arena.

An information session on safety, basic rules and etiquette will be followed by a meeting at which plans for the year's activities and a rundown on what the club is all about. Overall Leader Daphne Schnurer invites all young horse enthusiasts to "bring your horse and have a good time." She is encouraging new and potential members to come to the meeting and check out the 4-H experience.

The 1996-97 4-H season was "a really good year," according to Mrs. Schnurer. "We're looking forward to another season that's equally good." Joyce Larson will be the instructor for the coming year, and is "very dedicated and knowledgeable. We're lucky to have her," Mrs. Schnurer noted. Mrs. Larson, along with a number of the club members, comes from the Dewberry area, and "we really appreciate them supporting our club, our community and our riding barn."

What's news at the library?

Books and good times for ghosts and goblins

By Michele Ducek
Librarian

Halloween is almost here and that can only mean one thing, Christmas decorations are about to go up in the major department stores. If it seems to early for Santa Claus, you're right. Let's get the ghosts and goblins out of the way. The library has a number of books to help you prepare for the upcoming ghoulish holiday. We have a number of books on costume making, face painting and grisly treats. Of course, most of these books are out on loan at present (Some people are more prepared than the rest

of us. Don't you just hate that?) but I'm sure I can scare up one or two things to get you started.

Don't forget the Storytime Halloween Party on October 31 at 10:30 a.m. It's actually on Halloween this year! Everyone is invited to come in costume, including the parents. We will be smashing a pinata, bobbing for spider webs and drinking eyeball punch (don't ask).

New in adult fiction:

A Pittsburgh private eye is sent back in time to an alternate 1776 where George Washington is Duke of Kentucky and Strang's most vicious enemy is his alternate self in Washington's *Dirigible* by John Barnes, the second book in the Timeline Wars series.

Dirk and his friend Al take on an unscrupulous businessman who smuggles Chinese

immigrants into various countries and along the way look for sunken Chinese treasure in *Flood Tide* by Clive Cussler.

When his sworn enemy threatens to publish harmful information about him, not-so-nice-guy Barney Panofsky decides to publish his own memoirs first in *Barney's Version* by Mordecai Richler.

While on the trail of a bomber who is targeting consulates all over the U.S., Sharon McCone befriends a young Arab girl who turns up missing in *A Wild and Lonely Place* by Marcia Muller.

And for younger readers:

Mary Anne finds a music box in her grandparents' house that may come with a ghost and a curse in *Mary Anne and the Music Box Secret*, a Baby-Sitters Club mystery.

The Scouts are planning a talent show to raise money for

a trip to a big amusement park in *Stage Frightened* from the PeeWee Scouts.

The kids are convinced that the new student teacher is the bogeyman in *Bogeymen Don't Play Football* from the Bailey School Kids.

Abby gets in trouble with her soccer team when she hogs the ball in *Abby the Bad Sport* from Baby-Sitters Club.

Newcomers, come meet your neighbors!

By Rev. Paulette Phillips
Elk Point United Church

Having been in this community of Elk Point since mid-July, I've had time to explore all the nooks and crannies, meet the general public in a variety of ways, enjoy the hospitality of westerners and begin to feel less like a displaced person. Eastern Canadians will agree with me, I'm sure, that there are many similarities to the east here and as a transplanted Maritimer that is quite a concession.

Hospitable, welcoming, friendly has been my personal experience but then I have had the advantage of the people at Elk Point United Church. Knowing that we have many

newcomers in our community, some without their families and support systems, we of the Elk Point United Church are extending an open invitation to you. We are opening our doors to the whole community for a casual afternoon and a place to meet your neighbors. Whether you are a longtime resident or a newcomer, we would like to see you on Saturday, October 18, 1997 between 2:00 and 4:30 p.m. for a freshly brewed cup of coffee (juice for the children) and dessert.

Come meet your new neighbors and help us welcome them to this community in western style hospitality at Elk Point United Church, 4822-50 Ave., phone 724-3616.
